

# High School Pathways Access and Information

## Overview

This article covers the High School Pathways portal and Dual Credit Information.

## Getting Started

### High School Pathways Portal

The High School Pathways Portal can be accessed at [MCC High School Pathways portal](#).

### Updating Your Non-MCC Email Address for Username Recovery/Password Resets

More information and instructions on updating your personal email address on file with MCC can be found at [High School Pathways Update Non-MCC Email Address](#).

### Retrieving Your MCC Username

If you are unable to create a new High School Pathways account because it states an account already exists, use the "Forgot Username" link on the Student login page to recover your MCC username/ID or click [here](#) to get started. If you do not receive the email with your username, please use the "Alternate MCC Username Recovery System" found at [Forgot MCC ID and Username](#).

### Updating Your High School Pathways Portal Password

More information and instructions to change your High School Portal password can be found at [High School Pathways Forgot Password](#). Information on services accessible using your High School Pathways portal password can be found [here](#).

## Dual Credit Information

More information about Dual Credit can be found at [High School Pathways](#).
