

High School Pathways Access and Information

Overview

This article covers the High School Pathways portal and Dual Credit Information.

Getting Started

High School Pathways Portal

The High School Pathways Portal can be accessed at [MCC High School Pathways portal](#).

Updating Your Non-MCC Email Address for Username Recovery/Password Resets

More information and instructions on updating your personal email address on file with MCC can be found at [High School Pathways Update Non-MCC Email Address](#).

Retrieving Your MCC Username

If you are unable to create a new High School Pathways account because it states an account already exists, use the "Forgot Username" link on the Student login page to recover your MCC username/ID or click [here](#) to get started. If you do not receive the email with your username, please use the "Alternate MCC Username Recovery System" found at [Forgot MCC ID and Username](#).

Updating Your High School Pathways Portal Password

More information and instructions to change your High School Portal password can be found at [High School Pathways Forgot Password](#). Information on services accessible using your High School Pathways portal password can be found [here](#).

Dual Credit Information

More information about Dual Credit can be found at [High School Pathways](#).
