Getting Started

Please follow the steps below to accept the Terms and Conditions. If the Terms and Conditions are not available and you have recently registered for a course, please sign out of MyMCC, wait fifteen minutes, and then try again.

- Go to <https://mymcc.mclennan.edu/>
- Sign in to MyMCC using your MCC username and current MCC password
- Click on your ID at the top, right of the page.
- Click 'Required Agreements'.
- You will see your Terms & Conditions, click View next to the term you are attending.
- To accept the Terms & Conditions, click Accept.

Registering for class

Refresh the Student Planning page and then retry registering for the course. It may give a warning to accept the Terms and Conditions but if the course status now shows as 'Registered But Not Started', it recognized they have been accepted and successfully enrolled you in the course.

Payment

Payment must be arranged before the payment deadline, or the system will drop you from the course after the deadline passes. During 'Last Chance Registration', payment is due immediately after registering.
